

BEF GRANT APPLICATION

PURPOSE:

BEF grants provide funding to faculty and/or administrators in the Bexley Schools for creative and innovative education programs and projects that not only enrich the current curriculum but can be incorporated into future curriculum plans for the district. The program or project should directly enhance learning opportunities for a significant number of students.

SELECTION CRITERIA:

- The project should show creativity, innovation, encourage collaboration, impact a significant number of students and support the Goals, Best Practices and Strategic Priorities, of the Bexley Schools. Collaborations are encouraged.
- The application should describe the impact that the program/project should have on current and future programs for Bexley students and address the current and future needs such as staffing, space, and district budget.
- The application should describe fully the activities for the project and a realistic time line for accomplishing the goals, objectives, and evaluation.
- The amount requested for the project should be realistic and detailed. **Estimated budgets will not be accepted.** Monies cannot be requested to pay teachers and staff, but may be used to compensate outside professionals/experts who work with students, faculty, volunteers or parents. Those persons should be fully screened prior to engaging in any activities with students.

REQUIREMENTS:

- There will be two application deadlines this year: Decisions will be made within 30 days of grant deadline.
Friday, October 27, 2017 – projects/programs for second semester of 2017 - 2018
Friday, March 1, 2018 – projects/programs for 2018 - 2019
- Applications should be typewritten and fit within the allotted space on the application form. Please provide the original signed application (including Cover Page) to the BEF and make one copy for your records.
- Projects will be funded for **one year** from the start of the project. Unused funds will NOT be carried over to the next year.
- A final report should be submitted no later than **one year** from the initial funding. The report form will be provided by the BEF and should address the specific objectives and if and to what extent they were met.
- The original copy **MUST be signed** by the Applicant, the school/building Principal, and the Director of Technology, if there is technology component.
- Changes in the implementation or focus of the project after the grant has been awarded should be submitted to the BEF Grants Committee for review.
- By accepting BEF grant funds, the applicant agrees to publicize the grant to school community members.
- The BEF Grants Committee reserves the right to make any exceptions to these policies.
