PROJECT SUMMARY

One Paragraph Summary Description (**not to exceed 200 words in this space.**)

PROJECT DESCRIPTION

Please answer each question within the space provided.

All sections should be typewritten.

1. What is innovative and/or creative about this project or program? Why is it valuable and unique?

2. What are the specific goals and objectives you expect to accomplish?

3. How does this project or program impact a critical need or issue in the district?

4. Describe the steps for project implementation, including the projected timetable. If the project is not fully funded and/or effective, what are your options/plans? Please be as concise as possible.

5. Is this an existing project or program? If yes, what kind of funding has it received in the past, if any? If no, have there been previous attempts to fund it?

6. Which of the following categories best classifies your project or program? Check all that apply:

- Performing arts
- Visual arts
- Literature
- Technology
- Science
- History
- Health & Fitness
- Other: please explain:

COMPLETE AND DETAILED BUDGET: Include specific information on the kind and quantity of materials and equipment needed, supplies and cost, and other sources for additional income or in kind services. The BEF encourages shared expenses through partnerships but will not reimburse for dollars already spent.
